

## 2015-2016 TEAM INFORMATION

### MISSION STATEMENT

The mission of the Lander Swim Club (LSC) is to empower athletes of all ages to achieve their personal best and grow as people through excellence in swimming.

### WHO WE ARE

The LSC Tiger Sharks are a competitive, developmental swimming team registered with:

USA Swimming

<http://www.usaswimming.org/>

Wyoming Swimming Inc

<http://www.wyomingswimming.org/>

Swimmers are taught the four competitive swimming strokes: freestyle, breast stroke, backstroke, and butterfly. Our program is designed to enable swimmers to grow from minimal swimming ability (Learn to Swim) into Stroke Development (White Group) through Competitive Development (Red, Blue, Green, & Masters Groups). Swimmers compete at the local, state, regional, and national levels according to the swimmer's desire and ability. We are committed to fun, family, exercise, team spirit, and achieving your personal best.

### STRUCTURE

The LSC is a non-profit organization managed by a volunteer board of directors composed of parents and adult swimmers. Meetings are open to all membership and participation is welcome. The coaching staff, board, and parents work as a team in the best interest of the swimmers. The success of our club is based on volunteers!

## REGISTRATION AND ATTENDANCE POLICY

Swimmers must sign-up for specific practices, according to their swim group. Swimmers may only attend practices included in their group. If a desired group is full, a family may add their swimmer to the waiting list. If a swimmer wants to make changes to their practice schedule, their family must contact Lander Swim Club via email. When a swimmer intends to take a break for a month or more, the family must contact [LSC](#) via email by the 20th of the month about the following month, so billing can be paused, and the practice spots can be made available for other swimmers. If LSC is not notified and a swimmer does not swim at all during a given month, dues for that month will *not* be refunded. When a swimmer wants to return to practice after taking a break, they must contact Lander Swim Club via email to sign-up for an available practice time.

## LEARN TO SWIM

Learn to Swim (LTS) is designed for children who do not have previous experience in a structured class setting or being away from their parents/guardians in the water. Children will work on basic swimming skills to become comfortable in the water in both the baby pool and the big pool. Skills will be learned through play and incidental learning to encourage a fun and enjoyable experience in the water. To be eligible to participate in the LTS program, swimmers must be 3 years old, potty-trained, and able to listen and follow directions for at least 35 minutes. Swimmers must also be able to tolerate cold (84°F) water.

LTS is in high demand, so there is a waiting list for the program. To add your child to the waiting list, email [landerswimclub@gmail.com](mailto:landerswimclub@gmail.com). Potential swimmers are placed on the waiting list according to their priority level. For more information regarding the LTS waiting list, please refer to the policy on the website, under "Documents". Once your swimmer has a spot in LTS, they must swim at least one time per month in order to keep their spot. If your swimmer is not going to swim during a given month or is going to take a break for a few months or more, please contact us as soon as possible, so we can put their name back on the waiting list and fill the spot.

## VOLUNTEERS NEEDED

LSC exists for the swimmers and we need you on the team. Many parents helped throughout last season. Thank you for your support. We need more and continued help from a greater percentage of our parent population. Many clubs have chosen to initiate volunteer incentive plans by which families pay a fee they recoup throughout the year via volunteering. Lander Swim Club has chosen not to implement a volunteer incentive plan. We are seeking your assistance in maintaining our current honor system. Parents are asked to volunteer throughout the year. Categories include: Swim Meet Timing at Middle School and High School Meets (a primary fundraiser for LSC); Concessions (at Spook Splash and other meets we host); Event Support (at BBQs, parties or special events); Apparel orders and distribution (suits, t-shirts).

## SCHOLARSHIPS

Lander Swim Club financial aid is available to applicants who show willingness and commitment to participate as an active member of the Lander Swim Club (LSC) and who would be unable to participate without financial aid. These scholarship dollars are made available through the support of the Lander Recreation Board and the generosity of alumni and friends of the Lander Swim Club. Our supporters realize the many benefits of the LSC to our community. They volunteer both time and money to expand the LSC Mission.

Scholarships will be awarded to offset the cost of LSC dues and LSC Team Meet fees and expenses. The LSC Scholarship Committee awards funds based on financial need and demonstration of commitment to swimming. Families must complete a separate application for each swimmer requesting scholarship money. In completing this application, please only request what you think that you need. Scholarship awards are applied as a credit to your LSC account.

While there is no specific application deadline, LSC scholarship funds are limited and are awarded on a first come, first serve basis. Applications will be reviewed within two weeks of receipt of the completed application, and all applicants will be notified by email as soon as possible. Awarded scholarships are valid for one year.

Misconduct, as defined by the LSC Code of Conduct, is grounds for loss of scholarship.

Check the website, calendar and bulletin board for upcoming events.

#### **SWIM MEETS**

Team meets are designated by the coaching staff. Coaches attend team meets when there are 7 or more athletes participating or at the discretion of the board of directors.
